

1 **Telecommunications**

2 Effective: Moved to Policy Library from UPM 12.8(1)

3 Contact: [Information Technology Services \(ITS\) Networks & Communications/Systems & Operations](#)

4 **Introduction**

5 This policy clarifies campus standards for voice, data, and video communications.

6 **Policy Statement**

7 Voice, data, and video communications in campus buildings must be provided by or coordinated
8 through ITS Networks and Communications located in Durham Center. ITS Networks and
9 Communications establishes standards for information technology infrastructure and policies for
10 wired and wireless communications.

11

12 Each university department, ISU Research Park tenant, and federal laboratory located on campus
13 has designated a telecommunications coordinator. Telecommunications coordinators approve,
14 prepare, and process requests to move, add, or change voice, data, or video services.
