1. Statement of Philosophy

Iowa State University is an institution that encourages the intellectual and personal growth of its students as scholars and citizens. As an educational institution, the university recognizes that the transmission of knowledge, the pursuit of truth, and the development of individuals require the free exchange of ideas, self-expression, and the challenging of beliefs and customs.

In order to maintain an environment where these goals can be achieved safely and equitably, the university promotes civility, respect and integrity among all members of the community. The university strives to guide the educational community by establishing the Student Disciplinary Regulations including a Student Conduct Code and student judicial system that promotes individual and social responsibility. Choosing to join the Iowa State University community obligates each member to a code of civilized behavior. Individuals, student organizations and campus organizations are expected to observe the policies, rules, and regulations of Iowa State University, the City of Ames, the State of Iowa, and the United States of America. University policies have been designed to protect individuals and the campus community and create an environment conducive to achieving the academic mission of the institution.

The purposes of the Student Disciplinary Regulations are to set forth the specific authority and responsibility of the university in maintaining social discipline, to establish guidelines that facilitate a just and civil campus community, and to outline the educational process for determining student and student/campus organization responsibility for alleged violations of university regulations. This judicial process will follow established procedures for ensuring fundamental fairness and an educational experience that facilitates the development of the individual and of the student/campus organization.
2. Rights and Responsibilities

Students have certain rights as members of the university community in addition to those constitutional and statutory rights and privileges inherent from the State of Iowa and the United States of America, and nothing in this document shall be construed so as to limit or abridge students' constitutional rights. Students have the responsibility not to deny these rights to the other members of the university community. Student rights and responsibilities at Iowa State University are listed and explained here.

2.1 Student Rights and Responsibilities

A. All Iowa State University students have the right to:
   1. Have access to academic and non-academic university policies.
   2. Express themselves through academic work within the guidelines of the university rules and regulations.    3. Participate in university-sponsored activities and services without threat of harassment or discrimination.
   4. Join any organization without fear of charges being brought solely on the basis of membership.
   5. Expect that the university will not create and keep records that reflect beliefs, political activity, and associations except for information provided by students. The university may maintain counseling, health, law enforcement and disciplinary records which can be released only by expressed consent, a court order or as otherwise permitted by law.
   6. Petition for change in academic or non-academic regulations, procedures, or practices.
   7. Be protected from ex post facto (after the fact) regulations. An ex post facto rule is a rule created after an act has occurred, in order to be applied to the prior act.
   8. Due process in the student judicial process, as required by law and as described in section 5, below.
   9. Be informed of and comment during the process of formulating non-academic regulations, procedures, or practices of the university.

4. Complainants may make a statement of how the alleged conduct has affected them at the time of any disciplinary hearing. If the complainant is a member of the university community at the time of a request for reinstatement by a student who committed a violation against the complainant, the complainant has a right to provide a statement for or against reinstatement.
5. Complainants may make a statement of their opinion as to an appropriate sanction if a student or student/campus organization is found responsible for misconduct.
6. To know the final result of the case. The final results include the name of the accused student, whether the accused student was found responsible or not and any sanction that was imposed.
7. Complainants have the right to participate in the student judicial process as required by law and as described in section 5, below.
8. Complainants have the right to be free of any form of retaliation or harassment due to reporting misconduct on the part of another student.

3.7 Office of Equal Opportunity and Title IX Coordinator

The university has designated the director of the Office of Equal Opportunity (OEO) to administer the university’s Discrimination and Harassment policy. The OEO director is also the Title IX Coordinator for the university and is charged with administering the university’s Sexual Misconduct, Sexual Assault, Sexual Harassment, Stalking, and Intimate Partner Violence Involving Students policy. Those policies govern complaints of discrimination, harassment, sexual misconduct, sexual assault, sexual harassment, stalking, and intimate partner violence, and nothing in these regulations should be read to contradict or supersede those policies.

3.8 Residence Student Conduct (RSC) Coordinator

The RSC Coordinator works with the OSC to determine whether the case will be handled in the residence judicial system or by the OSC.

A student charged with misconduct may request that the RSC Coordinator hear the case as an administrative hearing. The RSC Coordinator may delegate authority to Residence Area Directors to hold administrative hearings and hear cases.

3.9 Residence Area Directors

A. For purposes of the university Student Disciplinary Regulations, Residence Area Directors are those employees within the Department of Residence with responsibility to manage student disciplinary matters within the different university housing areas.

3.10 Student Conduct Hearing Board (SCHB)

The SCHB hears cases in which a serious violation of the Student Conduct Code may result in suspension or expulsion from the university. The SCHB may also hear cases of minor nature which have been referred by the OSC. The SCHB hears cases in boards of five persons each, at least two of whom are students. The SCHB makes its recommendations to the Dean of Students.

The SCHB is composed of faculty members identified by the members of the university community and the Faculty Senate, staff members identified by the Senior Vice President for
Student Affairs and staff councils, graduate students identified by the Graduate and Professional Student Senate and the Office of the Dean of Students, and undergraduate students identified by the Student Government and the Office of the Dean of Students. All appointments are subject to the approval of the Senior Vice President for Student Affairs.

All appointments are for a two-year term and may be extended or reappointed if the member is willing to serve, unless the member has been removed by the appointing authority. All chairpersons (individual or joint) are approved by the Senior Vice-President for Student Affairs and are from members of the general faculty or the professional and scientific staff. In cases involving Level 2 violations, the staff of the OSC may hold administrative hearings as administrative hearing officers (see section 5.8.3) and can impose any sanction allowed by section 5.8.4.

3.13 Other Student Judicial Bodies at ISU

Other student judicial bodies exist within student or campus organizations with the authority to resolve internal disputes within the organization and between its members. These judicial bodies do not have jurisdiction to resolve alleged violations that are the subject of the university Student Disciplinary Regulations unless the OSC Administrator determines not to pursue the matter as a disciplinary proceeding under the university Student Disciplinary Regulations.
3.14 Student Government Supreme Court

4. Student Conduct Code

Students and registered student/campus organizations are entitled to all the rights and protections enjoyed by members of the university community and are subject to obligations by virtue of this membership. Students and registered student/campus organizations also are subject to all civil and criminal laws, the enforcement of which is the responsibility of duly constituted civil and criminal authorities.

4.1 General Definitions and Standards

The following general definitions and standards apply to violations of the Student Conduct Code.

4.1.1 Members of the University Community

Members of the university community include students, faculty and staff of Iowa State University; the employees of organizations affiliated with ISU and located on or near campus; and visitors to the university and organizations affiliated with ISU.
For the purposes of the conduct regulations, the campus includes the geographic confines of the university, including its land, institutional roads and buildings, its leased premises, common areas at leased premises, the property, facilities and leased premises of organizations affiliated with the university, such as the Memorial Union, university housing, and university-recognized housing. University housing includes all types of university residence housing such as halls and apartments. University-recognized housing includes fraternity and sorority chapter dwellings.

4.1.3 Off Campus Violations

Conduct off campus in violation of the conduct regulations that takes place during official functions of the university and/or incidents that affect a clear and distinct interest of the university regardless of their location are subject to disciplinary sanctions. Specifically included within the university's interest are violations that:

A. Involve conduct directed at other members of the university community;
B. Disrupt educational or other functions of the university;
C. Occur during or at university-sponsored events;
D. Occur during the events of organizations affiliated with the university, including the events of student/campus organizations;
E. Occur during a Study Abroad Program or other university-related international travel;
F. Involve the use of university-owned or provided resources; or
G. Otherwise contribute to the creation or continuation of an unsafe, disruptive, discriminatory, or hostile environment within the campus community.

4.1.4 Seriousness of Infractions

A. A violation of any provision of the conduct regulations will be regarded as more serious if:
   1. The conduct involves threatened or actual physical injury to another person, or
      endangers other persons;
   2. The conduct is willful or intentional;
   3. The conduct results in, contributes to, or enhances the severity of a public disorder, group violence or a mass disturbance that involves conduct in violation of section 4.2.13;
   4. The conduct involves interference with safety officials (police, fire and emergency medical responders) in the performance of their work;
   5. The conduct involves the use of drugs, alcohol or medicine to incapacitate a student's ability to give consent to participate in an activity;
   6. The same or similar conduct is repeated; or
   7. The conduct impairs other students' abilities to continue their education and/or participate in or benefit from university programs and services.
B. A violation of any provision of the conduct regulations will be regarded as less serious if:
   1. Immediately after the conduct, and before being notified that disciplinary action may take place, the violator takes significant measures to correct their conduct or lessen the damage caused;
   2. In the case of group violence or mass disturbance, the violator can show that their actions were consistently directed to quelling the riot or mass disturbance; or
   3. The violator was encouraged or coerced to act in an uncharacteristic manner.

4.1.5 Aiding and Assisting

Students and student/campus organizations aiding or assisting others in violating university conduct regulations are subject to disciplinary sanction under these regulations.

4.1.6 Attempt

A student or student/campus organization may be disciplined for attempting to violate the Student Conduct Code, even though the attempt is not successful.

4.1.7 Organizational Responsibility

A registered student or campus organization may be held responsible for misconduct when:

   A. Its officers or other leadership use or knowingly allow the use of the facilities, resources, membership or name of the student/campus organization for actions that are a violation of the Student Conduct Code;
   B. The leadership of the student/campus organization encourages a violation of the Student Conduct Code by its members; or
   C. A significant number of members of the student/campus organization engage in concerted action which violates the Student Conduct Code and the leadership of the student/campus organization knows or should have known of a violation by its members and takes no action to stop the violation.

4.1.8 Persons Subject to Student Disciplinary Regulations

Persons who are students or admitted to ISU at the time of the alleged violation are subject to these university Student Disciplinary Regulations. The term "student" as used in these regulations includes admitted students. In addition, registered student/campus organizations are subject to these regulations.

4.1.9 Effect on Payment of Fees

Disciplinary action shall not affect payment of tuition and fees, nor will refunds of fees be granted. Exceptions may be granted in the case of a delay, not the fault of the student or student/campus organization, that causes the student to incur tuition or fees which could have been avoided.
4.1.10 Simultaneous Criminal Proceedings

A Formal Complaint may be instituted against an accused student charged with conduct that potentially violates both the Student Conduct Code in these Student Disciplinary Regulations and federal, state or local criminal law. In this situation the university reserves the right to move forward with the student disciplinary investigative and adjudication process at the same time the criminal process is proceeding. In cases affecting the safety of campus (including cases involving sexual misconduct, harassment, assault, stalking, and threats of violence), the university will move forward with investigation and adjudication unless all parties, including the university, agree to suspension of the university process, or the prosecuting authority handling the criminal matter requests suspension of the university process. The university will suspend its process only if it deems measures to preserve safety are sufficiently enacted under the circumstances.

Students under the legal age may not use altered or falsified identification to procure alcohol.

B. Supplying Alcohol to Persons Underage. Students and student/campus organizations may not supply alcoholic beverages to persons who are not of legal age to possess or consume alcoholic beverages. This section will apply to persons who intentionally, knowingly, recklessly or negligently supply alcohol to persons underage. For example, a person or organization that holds or sponsors an event/activity and fails to take reasonable measures to assure that persons under the legal age are not receiving and/or drinking alcohol is in violation of this section. This rule will not apply in those cases where alcoholic beverages are consumed in a private residence with the knowledge, consent and presence of the parent or guardian, or where the underage recipient handles alcoholic beverages in the course of employment by a licensed seller of alcoholic beverages, as provided under Iowa Code §123.47.

These forms of misconduct are governed by the university’s comprehensive Sexual Misconduct, Sexual Assault, Sexual Harassment, Stalking, and Intimate Partner Violence Involving Students policy. Nothing in these regulations shall be read to contradict or supersede that policy with respect to those forms of misconduct.

As detailed in the applicable policy, sexual misconduct is any unwelcome and unreasonable behavior of a sexual nature that is committed without consent or by force, intimidation, coercion, or manipulation. Sexual misconduct may vary in its severity and consists of a range of behavior or attempted behavior. Sexual misconduct may include, but is not limited to, the following examples of prohibited conduct as further defined in the applicable policy:

- Sexual assault;
- Sexual exploitation;
- Sexual and/or gender-based harassment;
- Sexual intimidation;
- Intimate Partner Violence;

Nothing in these regulations shall be read to contradict or supersede that policy with respect to intimate partner violence.

Intimate partner violence is any act of violence or threatened act of violence that occurs between persons who are involved or have been involved in a sexual, dating, spousal, domestic, or other intimate relationship.

Intimate partner violence may include, but is not limited to, the following behaviors:

- Intimate partner violence includes “dating violence” and “domestic violence” as defined by the Violence Against Women Act (VAWA) and the State of Iowa Code (see Iowa Code § 236.2).

Consistent with federal law, the university will evaluate the existence of an intimate relationship based upon the complainant’s statement and taking into consideration the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved.

4.2.7 Discrimination

Discrimination is a prohibited form of misconduct. Discrimination is governed by the university’s comprehensive Discrimination and Harassment policy. Nothing in these regulations shall be read to contradict or supersede that policy with respect to discrimination.

Discrimination, as defined by applicable policy, is any adverse treatment of an individual or group of identifiable individuals based on their “protected status” or perceived protected status, including age, color, creed, disability, gender identity, genetic information, national origin, pregnancy, race, religion, sex, sexual orientation, and/or U.S. veteran status. This is identified as “adverse treatment” discrimination.

- Discriminatory conduct may also include facially neutral conduct that has the unjustifiable effect of disproportionately impacting individuals based on their protected status. This is identified as “adverse impact” discrimination.
• Discriminatory conduct may also include failing to provide reasonable accommodation, consistent with state and federal law, to qualified individuals based on disability and/or religion. This is identified as “failure to accommodate” discrimination.

4.2.8 Harassment and Discriminatory Harassment

Discriminatory harassment is a prohibited form of misconduct. Discriminatory harassment is governed by the university’s comprehensive Discrimination and Harassment policy. Nothing in these regulations shall be read to contradict or supersede that policy with respect to discriminatory harassment.

Discriminatory harassment is a form of discrimination that occurs when unwelcome behavior based on protected status or perceived protected status is sufficiently severe, persistent, or pervasive to unreasonably interfere with, limit, or deprive an individual’s or group of identifiable individuals’ ability to participate in University employment or educational programs and activities from both a subjective and objective perspective. Harassing conduct may be verbal, written, electronic, and/or physical in nature.

General harassment (e.g., harassment not based on protected status) is prohibited by these regulations. Any act meeting the definition of harassment under Iowa Code § 708.7 is a violation of these regulations.

4.2.9 Stalking

Stalking is a prohibited form of misconduct. Stalking is governed by the university’s comprehensive Sexual Misconduct, Sexual Assault, Sexual Harassment, Stalking, and Intimate Partner Violence Involving Students policy. C. Involves the destruction or removal of public or private property in connection with initiation or admission into, or continued membership in, any group affiliated with the university, including but not limited to, any student, campus, fraternal, academic, honorary, athletic, or military organization.
It is not a defense to the violation of this section that the hazing participant provided explicit or implied consent. Apathy or acquiescence in the presence of hazing are not neutral acts; they are violations of this section.

4.2.12 Disruption of Rights

Violations involving disruption of a university community member's rights are:

A. Intentional disruption, obstruction or denial of access to university services, facilities or programs;
B. Intentional interference with the rights, privacy, privileges, health and safety of persons on campus;

D. Interfering with law enforcement, fire safety officials, or university officials who are engaged in discharging a safety-related duty;
E. Possession or unauthorized use of fireworks, explosive devices, or other flammable materials; or
F. Failure to evacuate a university facility when the fire alarm has been sounded.

4.2.17 Possession or Misuse of Weapons

Possession of weapons, unless authorized by the university, is a violation.

A. A weapon is any instrument or device designed primarily for use in inflicting death or injury upon a human being or animal, and which is capable of inflicting death or injury when used in the manner for which it was designed. Additionally, any instrument or device of any sort whatsoever which is actually used in such a manner as to indicate that the possessor intends to inflict death or injury upon another, and which, when so used, is capable of inflicting death or injury upon another, is a weapon.
B. Weapons include any pistol, revolver, shotgun, machine gun, rifle or other firearm, BB or pellet gun, Taser or stun-gun, bomb, grenade, mine or other explosive or incendiary device, ammunition, archery equipment, dagger, stiletto, switchblade knife, or knife having a blade exceeding five inches in length. Residents of university housing may possess knives having a blade exceeding five inches for cooking purposes.
C. A "weapon" also means an object that is not an instrument capable of inflicting death or injury but closely resembles such an instrument (for example, a realistic toy, replica, imitation weapon or look-a-like gun that is reasonably capable of being mistaken for a real weapon) or the student used the object in a manner that created the impression that the object was such an instrument (for example, wrapping a hand in a towel to create the appearance of a gun).

4.2.18 Unlawful Entry or Trespassing

Unauthorized or attempted unauthorized entry, occupation or use of any university-owned or controlled property, equipment or facilities is a violation. It is a violation to enter restricted areas of the university such as restricted research areas and utility tunnels. Remaining in or on premises after permission to remain has been revoked also is trespassing.

4.2.19 Theft or Damage to Property or Services

Actual or attempted unauthorized taking, use, misappropriation, or damage to property or services owned or maintained by the university, property owned or controlled by recognized student organizations, by a member of the university or Ames communities, by any person or visitor on campus, or by any person attending a university-sponsored event is a violation. The knowing possession of stolen property is also a violation.

4.2.20 Bribery and Extortion

A. Bribery is the offering, giving, receiving, or soliciting of anything of value to influence action as an official or in discharge of legal or public duty.
B. Extortion is the attempt to obtain property, services or benefits from another induced by wrongful use of actual or threatened force, violence, fear or coercion, or false pretense.

4.2.21 Gambling

As provided by Iowa law, the following are prohibited:
A. Bookmaking; or
B. Placing a bet or accepting wagers for a fee outside licensed gambling locations.

4.2.22 Misuse of Identification and Falsification

Improper actions of identification or falsification are:
A. Providing inaccurate identifying information to authorized officials with reason to request such information;
B. Allowing another person to use identifying information of a different person for the purpose of accessing university services or misleading authorized officials;
C. Knowingly misleading university officials, police officers, faculty, staff and organizations affiliated with the university in the conduct of their official duties;
D. Tampering with official records, documents, identification cards; or
E. Forgery.
4.2.23 Misuse of Keys or Access Cards

This violation is defined as unauthorized possession, duplication or use of keys or cards that permit access to any university or university-related services, vehicles, or premises, including university housing.

4.2.24 Misuse of Technology Resources

Students and student/campus organizations are subject to ISU's Acceptable Use of Information Technology Resources policy. See Resources below. Examples of technology misuse may include, but are not limited to:

- Accessing, damaging or altering records, programs or databases without permission;
- Accessing or disclosing another user's private files without permission;
- Unlawful copying of, or improperly using or distributing copyrighted material;
- Use of university computing facilities for personal financial gain without permission of the university; or
- Sending or posting obscene, harassing or threatening material.

4.2.25 Unauthorized Sale of Others' Intellectual Works

Course-related presentations are owned by the presenter. Students may take written notes or make other recordings for educational purposes, but specific written permission to sell the notes or recordings must be obtained from the presenter. Failure to secure permission is a violation of these conduct regulations.

4.2.26 Violation of Conditions of Recognition

Registered student and campus organizations may be disciplined for failing to meet conditions of recognition of student/campus organizations as established by the university. In addition to these disciplinary regulations, registered student/campus organizations not in compliance with university regulations relating to student/campus organizations may be denied privileges by the office responsible for administering such conditions until they comply with conditions of recognition.

4.2.27 Violation of Department of Residence Regulations

Members of the university housing community are subject to the following additional rules and regulations:

- The terms of their residence contract, which are separately enforceable pursuant to the terms of the contract; and
- Rules and regulations adopted within the living unit in accordance with the bylaws of the student residence governments.
4.2.28 Violation of Study Abroad Regulations

Students who participate in an ISU Study Abroad Program are subject to the following additional rules and regulations:

A. Rules and regulations adopted by the ISU Study Abroad Center and provided to each student in the Study Abroad Code of Conduct (see Resources below);
B. The laws of the host country in which the student is traveling or living; and
C. The academic and disciplinary regulations of the educational institution or residential housing program where the student is studying.

4.2.29 Violation of Regents Uniform Rules of Personal Conduct

The Board of Regents, State of Iowa, has adopted Uniform Rules of Personal Conduct applicable to the public universities under their jurisdiction. See 681 IAC §9.1. A violation of the Uniform Rules of Personal Conduct is also a violation of this Student Conduct Code.

4.2.30 Violation of ISU Non-Retaliation Against Persons Reporting Misconduct Policy

Retaliation is any adverse action or threat of adverse action taken against an individual or group of individuals for making a good faith report of misconduct under these regulations, for opposing in a reasonable manner an act believed to constitute a violation of these regulations, or for participating in an investigation or proceeding under these regulations. Retaliation includes threatening, intimidating, harassing, coercing or any other conduct that would discourage a reasonable person from reporting misconduct and/or from participating in any investigation or proceeding under these regulations. Retaliation is an independent violation of these regulations and may be present even where there is a finding of “no responsibility” on the underlying report. The university strictly prohibits retaliation, and will take steps to prevent retaliation, and will impose sanctions on anyone or any group who is found to have engaged in retaliation. Concerns about potential retaliation should be immediately reported to the Office of Student Conduct and/or the Office of Equal Opportunity.

Retaliation may include, but is not limited to, the following behaviors:

- Any action that has a materially adverse effect on a person’s employment, including refusal to hire, demotion, suspension, discharge, compensation, work assignments, evaluations and/or benefits.
- Any action that has a materially adverse effect on a person’s academics, including grades, evaluations, class selection, advancement, academic standing, reprimands, or participation in any University program, activity or benefit.
- Retaliation can take many forms, including, adverse action or violence, verbal or physical abuse, threats, harassment, and intimidation.
- Retaliation may be taken directly against the person who engaged in protected activity and/or against that person’s close family.
4.2.31 Violation of Any Local, State, or Federal Law

Students and student/campus organizations are expected to abide by the laws and regulations applicable to other citizens. Any action or conduct that meets the definition of a crime under any local, state, or federal law is prohibited. A violation of this section may be shown by preponderance of the evidence, or by documentation of a final determination or formal admission of guilt.

5. Process

5.1 Reports of Disciplinary Misconduct

The student disciplinary process normally begins with the filing of a report by a complainant or a person who has observed or is aware of alleged student misconduct, whether the conduct was directed at the reporter or another person. Misconduct reports should be submitted as soon as possible after the misconduct event occurs. Although there is no time limit on the reporting of misconduct, the university may ultimately be unable to adequately investigate if too much time has passed or if the students involved have graduated. Reports of sexual misconduct, sexual assault, sexual exploitation, sexual and/or gender-based harassment, sexual intimidation, intimate partner violence, stalking, proceed under the Sexual Misconduct, Sexual Assault, Sexual Harassment, Stalking, and Intimate Partner Violence Involving Students policy. Reports of discrimination and/or harassment based on protected status proceed under the Discrimination and Harassment policy.

Misconduct reports may be filed by providing a written statement of the nature of the alleged violation to the following offices:

A. For all matters: the OSC, who may forward to the appropriate office
B. For sexual misconduct, sexual assault, sexual exploitation, sexual and/or gender-based harassment, sexual intimidation, intimate partner violence, stalking and discrimination: the Office of Equal Opportunity
C. For university housing matters: the RSC Coordinator or Residence Area Directors

The person who receives a misconduct report shall provide a copy of the report to the OSC Administrator within a reasonable time after receipt.

For allegations of academic dishonesty against students, consult the Academic Regulations of the Iowa State University Catalog for information relating to procedures prior to referral for disciplinary action. In the case of allegations of violation of the College of Veterinary Medicine
Interclass Honor Code, cases may be brought under these procedures, or under the separate procedures of the College of Veterinary Medicine. Consult the College of Veterinary Medicine Student Handbooks. For allegations of research misconduct, consult the university's Research Misconduct policy for information relating to the procedures for handling such allegations.

5.2 Investigation of Disciplinary Misconduct

When the OSC or the RSC Coordinator receives a report, a copy shall be filed centrally in the OSC. The OSC Administrator will determine who will investigate the alleged violation except for matters involving 4.2.5 Sexual Misconduct, Sexual and/or Gender Based Harassment, Sexual Assault, Sexual Intimidation and Sexual Exploitation; 4.2.6 Intimate Partner Violence; 4.2.7 Discrimination; 4.2.8 Discriminatory Harassment; and/or 4.2.9 Stalking. Investigations of these matters will be determined by the Office of Equal Opportunity.

The OSC Administrator and the Office of Equal Opportunity have the authority to initiate an investigation in the absence of a report, if they become aware of possible misconduct by a student or student/campus organization.

If it appears an investigation is warranted, the OSC or the Office of Equal Opportunity may schedule initial meetings with the complainant or with the accused student or student/campus organization to provide information as to 1) the allegations; 2) the possible hearing processes; 3) the student's or student/campus organization's rights; and 4) possible outcomes of the process. The complainant's initial meeting shall be separate from the initial meeting with the accused student. Failure of an accused student or the officers of an accused student/campus organization to appear for the initial meeting may result in placement of a hold on registration or records as provided under section 5.5.1. Failure to respond to a request for an initial meeting, or failure to appear for an initial meeting, will not prevent an investigation from proceeding.

Upon completing the investigation, the OSC Administrator will consult with the investigating office and determine if there is cause to believe a violation has occurred and whether the violation is classified as a Level 1 or Level 2 violation.

5.3 Classification and Formal Complaints

The OSC will review all reports to determine whether there is sufficient evidence for charges and whether those charges are at the Level 1 or Level 2 classification.

5.3.1 Formal Complaint in Level 1 Cases

A Level 1 case is defined as any violation of the Student Disciplinary Regulations which may result in a sanction up to and including suspension or expulsion. In a Level 1 case, a formal complaint will be provided to a student or student/campus organization and will include:
A. Any provision of the Student Conduct Code which appears to have been violated;
B. A summary of grounds for the alleged violation;
C. A specific date by which the student or student/campus organization must schedule an appointment and review the evidence contained in the student's disciplinary file; and
D. A description of the hearing options available to the student or student/campus organization. The options include a hearing before the SCHB under section 5.7.1 or waiving an SCHB hearing and requesting an administrative hearing before the OSC under section 5.7.1.

In a Level 1 case, a notice of hearing will be provided to a student or student/campus organization at least seven calendar days before the hearing is held. The complainant shall be provided a copy of the formal complaint and notice of hearing at the same time as the accused student.

### 5.3.2 Formal Complaint in Level 2 Cases

A Level 2 case is defined as any violation of the Student Disciplinary Regulations which may result in a sanction up to and including Deferred Suspension. Level 2 cases cannot result in a student being suspended or expelled from the institution. In a Level 2 case, a Formal Complaint will be provided to a student or student/campus organization and will include:

A. Any provision of the Student Conduct Code which appears to have been violated;
B. A summary of grounds for the alleged violation; and
C. A specific date by which the student and/or organization must schedule a hearing with the office responsible for hearing the formal complaint.

In a Level 2 case, a notice of hearing will be provided to a student or student/campus organization at least five calendar days before the hearing is held. The complainant shall be informed of the formal complaint and notice of hearing at the same time as the accused student.

### 5.4 Giving Notice:

Notice is given to students via email which is the primary means the university has for contacting students. Additionally, notice may also be given to students living on campus by hand delivery to the student's residence hall or apartment mailbox, or to students living on or off campus by United States mail to the student's last known address. Notice may also be sent to a student’s home town address. Student/campus organizations may be given notice by hand delivery or United States mail to an officer of the organization as listed in the organization's last registration or request for recognition.

Note that when the day by which some action must be taken falls between terms, or within the weeks of Thanksgiving or spring break, the action will normally be postponed to the first day after the break or the beginning of the next term. However, the university may require, upon prior notification of the student, that extenuating circumstances warrant action and/or response during these days.
5.5 Interim Measures

The following interim measures may be taken prior to the final adjudication of a case after an allegation of misconduct has been reported.

5.5.1 Hold on Registration and Records

A. The OSC Administrator or Dean of Students may place a hold on the accused student's registration, transcripts, new awards of financial aid and/or other university records until the case is adjudicated when the following circumstances occur:
   1. The student has failed to respond promptly to requests for information from the investigating office;
   2. The student has failed to appear for the initial meeting with the OSC Administrator or for any hearing;
   3. The alleged conduct is such that, if true, may pose a threat of harm to persons or property; or
   4. The student is scheduled to graduate prior to the adjudication of the case.

B. When a student has pre-registered for a term after the one in which the hold is placed, the OSC Administrator or Dean of Students may also revoke the registration of a student.

C. If there are allegations of misconduct relating to the qualifications of a student to graduate, such as allegations of academic fraud or serious allegations of misconduct, the OSC Administrator or Dean of Students may delay graduation until the charges are determined.

D. The decision to place a hold on registration, to revoke registration, or to delay graduation may be appealed to the Dean of Students or the Senior Vice President for Student Affairs. The OSC Administrator or Dean of Students may impose reasonable conditions on release of the hold.

5.5.2 Interim Suspension

The OSC Administrator or Dean of Students may order that a student be immediately excluded from classes, university facilities (including university housing), and / or denied privileges and ability to participate in activities and programs when the student's continued presence may constitute a significant danger to safety or property. The student will receive a written notice stating the reasons for the interim suspension and the time and place of the hearing to be held within two business days. The hearing will be before the Dean of Students.

At the time of the hearing, the university shall show probable cause why interim suspension is warranted, and the student shall have the opportunity to show why interim suspension is not warranted. If it appears that the student's behavior indicates medical withdrawal is warranted, the OSC Administrator or Dean of Students may initiate medical withdrawal as provided in the Iowa State University Catalog under "Interim or Medical Withdrawal." Hearings regarding continued suspension and medical withdrawal will be held under that policy (see Resources below).
5.5.3 Interim Suspension of Organizational Privileges

The OSC Administrator or Dean of Students may order that a student/campus organization be immediately denied university privileges and be excluded from activities on the campus when the student/campus organization's continued presence on the campus creates a continuing danger to persons or property or constitutes an ongoing threat of disruption to the academic process. The student/campus organization will receive a written notice stating the reasons for the interim suspension and the time and place of the hearing to be held within five business days. The hearing will be before the Dean of Students. At the time of the hearing, the university shall show probable cause why interim suspension is warranted, and the student/campus organization shall have the opportunity to show why interim suspension is not warranted.

5.5.4 Restricted Contact Notice

In cases involving allegations of assault, injury, sexual misconduct, harassment, threats of such conduct, and/or where there is reason to believe continued contact between the accused and specific persons, including complainants and witnesses, may interfere with those persons’ security, safety or ability to participate effectively in work or studies, the OSC Administrator, the director of Residence or director of Public Safety may require that the parties be subject to restrictions on contact with specific persons. The relevant student(s) will receive written notice of, and reasons for, the Restricted Contact Notice.

In addition to this internal university Restricted Contact Notice, individuals are advised that other similar options exist under Iowa law pursuant to civil and criminal proceedings. If criminal domestic abuse charges are filed against a person the court will automatically impose a criminal No Contact Order pursuant to Iowa Code Chapter 664A. For other crimes, the court has the ability to impose a No Contact Order as well. If no criminal charges are filed, but the complainant is involved in a domestic relationship with the accused, the complainant may apply to the court for a Civil Protective Order under Iowa Code Chapter 236.

5.5.5 Interim Removal from University Housing

The OSC Administrator or Dean of Students may order that a student be immediately removed from university housing as an interim measure when the student's continued presence creates a continuing danger to persons or property or constitutes an ongoing threat of disruption to the university’s programs, activities, or services. The student will receive a written notice stating the reasons for the interim removal and the time and place of the hearing to be held within three calendar days. The hearing will be before the Dean of Students.

At the time of the hearing, the university shall show probable cause why interim removal from university housing is warranted, and the student shall have the opportunity to show why interim removal from university housing is not warranted.
5.5.6 Other Interim Measures

Other Interim Measures are available for implementation prior to the final outcome of a disciplinary hearing to assist in ensuring the safety and well-being of the university community or to prevent the unreasonable disruption of university programs, activities, or services. Implementation of such interim measures will depend on the specific facts and circumstances of each case but may include such measures as referrals for support services, changing on-campus living and dining arrangements, and/or adjusting academic courses, schedules and assignments or on-campus employment obligations for the involved students. When imposing interim measures, the OSC will work closely with involved university departments.

5.6 Agreed Resolutions

At any time before a hearing or adjudication under these regulations, if the OSC Administrator and the accused student or student/campus organization reach agreement upon a reasonable sanction for conduct, the parties may enter into an agreed resolution which shall be binding upon approval by the Dean of Students. Discussions regarding agreed resolutions shall not be introduced against the accused as evidence of responsibility in disciplinary hearings.

5.7 Procedures and Sanctions in Level 1 Cases

5.7.1 Jurisdiction of the SCHB; Waiver of SCHB Hearing

If the OSC determines that the case is Level 1 (see section 5.3.1), the case will be heard by the SCHB hearing board. The accused student or student/campus organization may waive hearing and request an administrative hearing before an OSC administrator. The OSC may grant the request, or continue to an SCHB hearing. When an administrative hearing is held, the OSC will hear the case under the informal rules for administrative hearings and, if the student is found responsible, will recommend a sanction to the Dean of Students. When an SCHB hearing is waived, the OSC and the Dean of Students may impose any sanction which could have been imposed in an SCHB hearing.
5.7.2 Conflicts of Interest and Challenging Hearing Board Members for Bias

In order to provide an impartial hearing, each panel member selected for an SCHB Hearing will be queried for conflicts of interest or potential bias. Based upon the disclosure, the OSC Administrator may reject the panel member and select a new one. If a panel member discloses a conflict of interest or potential bias, and the individual is not rejected, the disclosure will be made available to the accused student and the complainant or student/campus organization.

Whether there is a disclosure or not, the accused student, complainant or student/campus organization may request removal of members of the hearing board for reasons of bias. Such requests, including the reasons for it, should be made as early as possible to the OSC Administrator, but no later than 5:00 p.m. of the business day prior to the hearing. If there is a change in the composition of the hearing board after issuance of the notice of the hearing, the student or student/campus organization may request removal of the new board members at the opening of the hearing. The chair of the hearing board will make decisions regarding removal, unless the student is requesting removal of the chair. Where there is a request to remove the chair, and the chair does not voluntarily remove themselves, the Dean of Students will decide whether removal is warranted.

5.7.3 Time for Hearing

The SCHB hearing will be held within 30 calendar days of issuance of formal complaint, unless the OSC or the hearing board chair grants additional time upon the written request of the accused student, the accused student/campus organization or the Student Conduct representative presenting the case. The accused student or student/campus organization and the complainant shall have at least seven calendar days' notice of the charges and hearing.

5.7.4 Review of Documents and Case Summary

After issuance of a formal complaint or notice of the SCHB hearing, the accused and the complainant may review the documents to be presented at the hearing (in the OSC only) and the case summary evidence prepared by the OSC. The accused and the complainant may suggest the names of witnesses to be called during the hearing. The case summary will indicate the following information:

A. Persons expected to testify
B. Documents expected to be used
C. A short summary of the information to be presented to the SCHB.

5.7.5 Opening of Hearings

All hearings are closed to the public; however, the accused has the right to submit a written request for an open hearing at least three business days prior to the hearing. The hearing board chair also has the discretion to close a hearing or a portion of the hearing when:

A. Charges involve alleged personal misconduct that might be embarrassing to the party, the complainant or witnesses;
B. The complainant does not agree to an open hearing.
C. A witness might be harmed if the case were disclosed;
D. A witness does not agree to give open testimony;
E. Private student records, as defined under the Family Educational and Privacy Rights Act (FERPA), would be disclosed; or
F. There is another compelling reason.

5.7.6 Right to Presence of Advisors

Any two persons from within the university community (faculty, staff, student) or outside the university community may advise the accused student or student/campus organization. Complainants and witnesses at a proceeding also have the same right to the presence of advisors. The SCHB is not a court proceeding.

A. The advisor may:
   1. Advise the students on the preparation and presentation of the case;
   2. Accompany students to all judicial hearings; and
   3. Advise the students in preparation and presentation of any appeal.

B. The advisor may not:
   1. Present any part of the case for the students or student/campus organization. However, a student with a disability affecting communication or a student who cannot effectively communicate in the English language may seek a reasonable accommodation from the chair of the assigned SCHB hearing board to allow an advisor or interpreter to present or translate the case for the student;
   2. Directly examine or cross examine witnesses; or
   3. Disrupt or delay the proceedings.

C. Advisors not complying with university hearing procedures may be removed from the judicial proceedings by the chairperson of the SCHB hearing board.

5.7.7 Right to be Present/Failure to Attend

The accused student, complainant or officers of an accused student/campus organization have the right to be present at the hearing. If the student or student/campus organization fails to attend the hearing after having been given proper notice of the hearing, the hearing board chair may find the student or student/campus organization responsible and recommend an appropriate sanction. The hearing board chair must require the OSC Administrator to present a summary of the evidence prior to making a finding and recommendation.

5.7.8 The Hearing

The hearing board chair will have general authority to control the proceedings and to call conferences of the SCHB. The hearing board chair may permit testimony to be taken by telephone, remote video or otherwise, keeping in mind fairness to the accused, the complainant, and the university. The accused student and the complainant shall have substantially the same opportunity to present to the SCHB. Upon request, the parties may be separated from one another by visual barriers or other reasonable means during the hearing. The chair may impose measures to prevent witnesses from being harassed by any party.
A. The chair will ask the accused to state whether they are responsible or not responsible for the alleged violation. The accused may remain silent or refuse to answer any questions. The accused may admit responsibility and make a statement regarding suggested sanctions.

B. The OSC representative and the accused will be asked to give a summary of the case.

C. A representative of the OSC will present the case to the SCHB. The OSC representative will be asked to present the evidence supporting disciplinary action.

D. The complainant will be asked to present a statement and evidence supporting their view of the case.

E. The accused will be asked to present a statement and evidence supporting their view of the case.

F. Witnesses may be questioned by members of the SCHB. All questions to witnesses and parties will be directed through the SCHB. There will be no direct questioning between the accused and complainant. At the request of either party, witnesses (other than the accused and the complainant) will be excluded from the hearing room until such time as they have testified. The hearing board and the accused may call witnesses as deemed necessary.

G. Formal rules of evidence do not apply. The SCHB will consider both witness testimony and documentary evidence and give it appropriate weight under the circumstances. Past unrelated behavior of the accused or the complainant shall not be admitted in evidence by the SCHB chair.

H. The hearing board will make its decision based on the evidence presented at the hearing.

I. A video recording will be made in SCHB hearings. All other recording devices and/or cameras are prohibited in hearings.

J. After hearing the evidence, the hearing board will deliberate in private and decide by a vote of at least three of its five members whether the accused student or student/campus organization is responsible for the alleged violation. The hearing board shall base its decision that the alleged violation occurred or not on a standard of preponderance of the evidence (i.e., whether it is more likely than not that an alleged violation occurred). The hearing board shall forward a written statement that explains the reasons for their recommendation to the Dean of Students.

K. If the accused is found responsible, the hearing board shall request a pre-sanction report from the OSC to determine if the accused may have had previous violations. Additionally, the complainant may make a statement in person or in writing about how the alleged conduct has affected them and may also provide a recommendation as to an appropriate sanction. The SCHB will then recommend sanctions to the Dean of Students.

L. Dissenting members may present a dissenting opinion or recommended sanction to the Dean of Students.
5.7.9 Sanctions permissible in Level 1 Cases

A. Individuals: In addition to the sanctions permissible in a Level 2 case (see section 5.8.4), the following sanctions may be imposed upon an individual student in a Level 1 case:

1. **Restitution:** A requirement to pay the cost of property damage or medical expenses to another student or student/campus organization incurred during conduct violation or make other appropriate restitution, where the costs are up to or exceeding $1000;

2. **Long-Term Limitation on Activity or Access:** A requirement that the student be limited in or excluded from participation in an extracurricular activity, club or organization for a period of more than seven months. Access to university facilities and premises may be limited or denied.

3. **Revocation of Admission:** If a student violates the Student Conduct Code after admission, but before attendance at the university, admission may be revoked and fees may be refunded.

4. **Defined Length Suspension:** The student is dropped from the university for a specific length of time. This suspension may not be less than one semester or more than two years. Reinstatement may be contingent upon meeting the written requirements of the SCHB at the time the sanction was imposed. A hold will be placed on reentry until reinstatement is granted under the procedure provided in section 7 below.

5. **Indefinite Suspension:** The student is dropped from the university indefinitely. Reinstatement may be contingent upon meeting the written requirements of the SCHB specified at the time the sanction was imposed. Normally, a student who is suspended indefinitely may not be reinstated for a minimum of two years. A hold will be placed on reentry until reinstatement is granted under the procedure provided in section 7 below.

6. **Expulsion:** The student is permanently deprived of their opportunity to continue at the university in any status.

7. **Transcript Notation:** When a student is sanctioned with an expulsion, suspension or revocation of admission, a written notation will be placed on the student's official transcript.

B. Student/Campus Organizations: In addition to the sanctions permissible in a Level 2 case (see section 5.8.4), the following sanctions may be imposed upon a registered student/campus organization in a Level 1 case:

1. **Term Suspension:** A student-campus organization may be suspended from recognition and university privileges for a specific amount of time. This suspension may not be less than one semester or more than four years.

2. **Indefinite Suspension:** A student-campus organization may be indefinitely suspended from recognition and university privileges. The suspension may indicate that the student-campus organization shall not be considered for reinstatement for a specified period of time. To achieve recognition again, the student-campus organization may apply for recognition, and the nature of the conduct giving rise to the indefinite suspension may be considered in deciding to recognize the student-campus organization. See section 7.

3. **Long Term Limitation on Activity or Access:** A requirement that the student-campus organization be limited in or excluded from participation in an
extracurricular activity, club or organization for a period of more than seven months. Access to university facilities and premises may be limited or denied.

4. Officer or Member Sanctions: As a condition of any sanction imposed on a student/campus organization, the organization may be required to: remove or suspend from office any officer, prohibit identified members from becoming officers and/or remove or suspend identified members.

5.7.10 Actions of Dean of Students

In reaching a final decision, the Dean of Students may:

A. Consult with the SCHB in determining whether to accept or reject its recommendation;
B. Ask the SCHB to reopen the case and consider additional matters;
C. Accept the recommendation;
D. Reject the recommendation and find the student or student/campus organization responsible or not responsible; or
E. If there is a finding that the student or student/campus organization has violated the Student Conduct Code or rules governing a student/campus organization, modify the recommended sanction.

Before the Dean of Students chooses not to follow an SCHB recommendation, the Dean must consult with the SCHB chair regarding the change, and provide an explanation in the final decision with reasons supporting the modification of the SCHB recommendation.

5.7.11 Notification of Final Results

The Dean of Students will notify in writing the accused, the SCHB, the OSC and appropriate university administrators of the result within seven business days of the final decision. The Dean of Students Office will notify any complainant of the final result at the same time as the accused student is notified.

NOTE: Section 5.7.12 removed (Option for Administrative Procedures Act (APA) Hearing)
5.8 Procedures and Sanctions in Level 2 Cases

5.8.1 Assignment of Level 2 Cases

If the OSC Administrator determines the case is of Level 2 classification, it will be referred to the RSC Coordinator, if it involves a university housing issue; or to an OSC administrative hearing. For all cases the OSC Administrator has the discretion to refer the case to the SCHB for adjudication. The formal complaint will be sent to the student or student/campus organization at least four business days before the date of the hearing.

5.8.2 Right to Presence of Advisors

Any two persons from within the university community (faculty, staff, student) or outside the university community may advise the accused student or student/campus organization. Complainants/witnesses to a proceeding also have the same right to the presence of advisors. University hearings are not court proceedings.

A. The advisor may:
   1. Advise the students on the preparation and presentation of the case;
   2. Accompany the students to all judicial hearings; and
   3. Advise the students in preparation and presentation of any appeal.

B. The advisor may not:
   1. Present any part of the case for the students or student/campus organization.
      However, a student with a disability affecting communication or a student who cannot effectively communicate in the English language may seek a reasonable accommodation from the chair of the assigned SCHB hearing board to allow an advisor or interpreter to present or translate the case for the student;
   2. Directly examine or cross examine witnesses; or
   3. Disrupt or delay the proceedings.

C. Advisors not complying with university hearing procedures may be removed from the judicial proceedings.

5.8.3 Administrative Hearings

An administrative hearing is a meeting for the accused student or student/campus organization to meet with a representative of the OSC for the purpose of determining whether the accused student or student/campus organization is responsible or not responsible for violations contained in the formal complaint. At an administrative hearing involving Level 2 charges, the student or student/campus organization is informed of the evidence supporting the charges. The student or student/campus organization has a reasonable opportunity to make a statement and respond on their behalf to the charges. Upon request, the complainant shall have the right to be present and have substantially the same opportunity to present at the administrative hearing. The
complainant may also participate by remote method such as telephone conference, or participate solely by providing a written statement.

If the student or student/campus organization does not take responsibility for an alleged conduct violation, the administrative hearing officer, or the SCHB will make a determination whether the student or student/campus organization has committed a violation and, if so, may impose or recommend the sanctions indicated below. The case shall be dismissed or recommended for dismissal if the administrative hearing officer or hearing board determines, after considering the information presented, that the evidence available does not indicate by a preponderance of the evidence that the alleged violation occurred.

If no response to the notice is made, or if a meeting has not been requested within three business days, the RSC Coordinator or the OSC Administrator may take the proposed action.

5.8.4 Sanctions in Administrative Hearings

A. All Level 2 cases: The following sanctions may be imposed in all Level 2 cases.

1. Disciplinary Reprimand: An official warning followed by the written notice to the student or student organization that their conduct is in violation of university rules and regulations.

2. Conduct Probation/Conditions: A more severe sanction than a disciplinary reprimand. It is a period of review during which the student or student organization must demonstrate the ability to comply with university rules, regulations, and other requirements stipulated for the probation period. While under conduct probation, a student may be disqualified from serving as an officer of a student or campus organization or as a member of a university committee or council. The OSC Administrator or the RSC Coordinator may impose reasonable conditions upon probation which may include limitations on activity or access to university facilities for a period of seven months or less.

3. Education: A requirement to participate in some project, class or other activity that is relevant to the nature of the offense and appropriate for the violation.

4. Restitution: A requirement to pay the cost of property damage or medical expenses to another student or student organization incurred during conduct violation, or to make other appropriate restitution, so long as costs do not exceed $1000.

B. Administrative Hearings before the OSC and the SCHB: In addition to sanctions that may be imposed in all Level 2 cases, in an OSC administrative hearing, or a referral case to the SCHB, the following sanction may be imposed:

1. Deferred Suspension: A suspension, but which is deferred subject to a definite or indefinite period of observation and review. If a student or campus organization is found responsible for further violation of the Student Conduct Code or an order of a judiciary body, suspension may be recommended to the Dean of Students Office. While under deferred suspension, a student may be disqualified from serving as an officer of a student or campus organization or as a member of a university committee or council. The OSC Administrator may impose reasonable conditions upon deferral, which may include limitations on activity or access to university facilities for a period of the deferred suspension.
C. **Residence Cases**: In addition to sanctions which may be imposed in all Level 2 cases, in a residence case by RSC administrative hearing, the following sanctions may be imposed:

1. **Removal from university housing**: A resident may be removed from a residence hall or apartment. The student shall have a maximum of ten days to move. The student's access to specific living or dining areas may be restricted as part of the sanction. If the decision is appealed, the Dean of Students shall have power to waive or enforce removal while the appeal is pending. The student's original room or apartment will not be reassigned until the completion of the appeals to the Dean of Students.

2. **Sanctions provided under the Residence Contract**: Sanctions outlined in the Department of Residence Contract may be levied in a residence case, including sanctions for violation of disciplinary regulations duly adopted by the applicable residence government.

D. **Greek Cases**: In addition to sanctions which may be imposed in all Level 2 cases, in a case before the OSC administrative hearing, the administrative hearing officer may impose sanctions permitted by the duly adopted rules of the governing Greek council.

5.8.5 **Notification of the Result of Administrative Hearings**

The OSC Administrator or the RSC Coordinator will send notice confirming the decision to the accused within five business days of the hearing and will also inform the appropriate university officials and the complainant (if any) of the decision.

5.9 **Procedures during a Study Abroad Program**

A Study Abroad Program is an academic program providing the student involved with an opportunity to pursue academic study for credit outside the United States. Students are expected to take advantage of the cultural opportunities involved and are responsible for their behavior during the program. The Study Abroad Center has developed rules and regulations that all participants are required to follow while studying in a foreign country. Students who fail to abide by the rules and regulations of the Study Abroad Center may be withdrawn from the Study Abroad Program and sent back to the United States at their own expense pursuant to procedures developed by the Study Abroad Center. In addition, if the student's conduct is also in violation of the university Student Conduct Code, disciplinary action may be undertaken by the OSC.
6. Appeals

Failure to appeal or comply with appeal procedures will render the original decision final and conclusive. In the event of special circumstances, an extension in time may be requested by submitting a written request to the Appellate Officer stating good reasons for the request for additional time. Normally, such requests will be granted if the request is filed before the deadline.

All evidence is to be presented to the administrative hearing officer or specific hearing board assigned to hear the case. Evidence may not be presented during an appeal without special permission of the person hearing the appeal. See section 6.8.

6.1 Who May Appeal

A student or student/campus organization found responsible with having violated the Student Conduct Code has a right to appeal that decision. The party filing an appeal shall be identified as the appellant.

In matters governed by the university’s Sexual Misconduct, Sexual Assault, Sexual Harassment, Stalking, and Intimate Partner Violence Involving Students policy, both the complainant and the respondent have the right to appeal final determinations of responsibility or non-responsibility and/or any resulting sanctions based on limited grounds.

6.2 Time for Filing an Appeal

An appeal must be filed within seven calendar days after notification of the student, the student/campus organization, or the complainant of the decision from which the appeal is taken.
6.3 Notice of Appeal

A notice of appeal must be filed with the person responsible for hearing the appeal. The appellant may appeal the lower judiciary decision based on one or more of the following reasons:

A. Substantial procedural error that materially affected the outcome;
B. The decision was arbitrary and capricious or constituted an abuse of discretion;
C. There is new evidence presented that was not reasonably available at the time of the hearing and is relevant to establishing whether it is more likely than not that the respondent is responsible for the violation; and/or
D. The sanctions imposed are outside the university’s sanction range for such violations and/or not justified in light of the totality of the circumstances.

The notice of appeal must state the grounds for appeal from the list identified above. In addition, the appellant must also provide the written statement as described in section 6.4.

6.4 Written Statement

Within seven calendar days after filing the notice of appeal, if the appellant has not included the written statement in the notice of appeal, the appellant must present a written statement supporting the reasons for the appeal. A copy of the written statement must be filed with the OSC at the same time. The OSC shall provide a copy of the appellant's written statement to the party who has not appealed the decision.

It is recommended that the written statement contain the following information: grounds for appeal, arguments and references to evidence presented during the hearing. In case the appeal is based upon new evidence, the written statement should contain a statement of the new evidence, together with a statement as to why the information could not have been discovered at the time of the hearing.

6.5 Access to Record

For purposes of appeal, the appellant and, in the event of an appeal, the party who has not appealed may review at the OSC a copy of the official recording and documents used during the hearing. Reviewing parties will be granted an ample opportunity to review the recording and the documents, but will not be permitted to take copies of them.
6.6 OSC Statement: Transmittal of the Record

The OSC will provide a written statement in response to the appellant's written statement within seven business days of its filing. A copy of the OSC statement must be sent to the appellant and the party who has not appealed at the same time it is filed.

The OSC will transmit the record of the hearing to the person hearing the appeal at the same time it files the response.

6.7 Supplemental Statement

The appellant or party who has not appealed may provide a supplemental statement within three business days of filing of the OSC Response.

6.9 Status during Appeal

Any sanction imposed as a result of a hearing with a lower board will remain in effect during the process of appeal. The Dean of Students and the Senior Vice President for Student Affairs have the authority, under extenuating circumstances, to defer the imposed sanction while an appeal is in process. Granting of deferral may be conditioned upon agreement to reasonable conditions.
6.10 Procedure: Decision

After receiving all written statements, the Appellate Officer may rule, or may ask for the parties to present short oral arguments. The Appellate Officer may do one of the following:

A. Affirm the decision below.
B. Reverse the decision below by finding that no violation of the Student Conduct Code occurred.
C. Remand the case for a new hearing.
D. Remand the case for consideration of new evidence.
E. Change the sanction(s).

The decision of the Appellate Officer will be based upon the record and the materials submitted by the parties. The decision and the reasons for the decision will be sent to the accused student or student/campus organization, the complainant, the OSC, the hearing board chair, and the Dean of Students. The decision of the Appellate Officer shall be the final decision of the university, subject to review as provided in section 6.11.

6.11 Review of Final Decision

6.11.1 President's Discretionary Review

A student, student/campus organization, or the complainant may request that the President review the final decision of the Appellate Officer. The President has discretionary authority to grant or deny the request. See section 3.2. When the President decides to review the decision of the Appellate Officer, the President's decision becomes the final decision of the university.

6.11.2 Board of Regents

The Board of Regents may review the final decision of the university. See section 3.1. Any review by the Board of Regents will be determined under the rules and procedures established by that agency.

6.11.3 Judicial Review

A final decision by the Board of Regents may be reviewed by an Iowa District Court.
7. Reinstatement

Students or student/campus organizations who are suspended for a defined period with conditions on return, or who are suspended indefinitely, must apply for reinstatement. See sections 5.7.9.A.4-5 and 5.7.9.B.1-2, above. Applications for reinstatement must be filed on a form provided by the Dean of Students Office. To assure sufficient time for review, the application should be filed at least two months in advance of the requested date of return.

A. In order to be reinstated, the student must:
   1. Follow university procedures for reentry, if the student has been absent for a period of twelve months or more, (See Iowa State University Catalog, "Returning/Reentry");
   2. File a petition for reinstatement with the Dean of Students indicating the basis for the request, including evidence of compliance with any conditions for reinstatement, if any;
   3. Supply evidence of good behavior and ability to make academic progress, such as statements from employers, educational institutions and/or counselors; and
   4. Supply documentation as requested by the Dean of Students supporting reinstatement.

B. In order to be reinstated, the student/campus organization must:
   1. File a petition for reinstatement with the Dean of Students indicating the basis for the request, including evidence of compliance with any conditions for reinstatement, if any; and
   2. Supply documentation as requested by the Dean of Students supporting reinstatement.

C. The Dean of Students will:
   1. Review the information provided by the student or student/campus organization;
   2. Review the student's or student/campus organization's disciplinary and academic records;
   3. Request a statement from any person who filed the complaint leading to suspension, if that person is still a member of the university community, and consider any such statement; and
   4. Issue a determination as to whether the student or student/campus organization will be reinstated. The determination of the Dean of Students may be appealed to the Senior Vice President for Student Affairs.

8. Records of Disciplinary Actions

Student disciplinary case records will be filed in the student's or student organization's disciplinary file in the OSC consisting of a statement of charges, summary of the information presented at the hearing, findings and sanctions of the administrative hearing officer or hearing body, records of appeals and rationale for the decisions. Student disciplinary case records also include the correspondence, evidence and testimony presented, including those of the complainant and witnesses. Records will be preserved during the pendency of any related legal proceedings.
Student disciplinary case records are normally maintained in the Dean of Students Office for a period of seven years, after which the file records may be purged. Records may be maintained for a longer time at the discretion of the university except that the recording of any hearings may be destroyed one semester following the exhaustion of all appeals.

Student disciplinary case records are confidential. However, when the student is expelled, suspended, or their admission is revoked, a notation will appear on the academic transcript that the student has been dropped due to disciplinary action and is not eligible to enroll. Student disciplinary case records may be required to be transmitted to the Board of Regents for purposes of appeal, or, in the case of legal action, to the courts or to the parties in litigation. When confidential information is transmitted to the courts or parties in litigation, the university will request that all sensitive information of witnesses and complainants be kept confidential under a protective order unless any individual has explicitly or implicitly waived confidentiality.

Persons desiring access to student disciplinary case records must secure a written authorization from the student whose record is requested. Because student disciplinary case records may contain records of persons other than the individual authorizing access, records relating to such other persons will be denied or redacted in a manner sufficient to prevent identification of the other person.

Records of violations by student/campus organizations may be transmitted for inclusion in the organization's file in the Campus Organizations Office.

9. Amendment

The university Student Disciplinary Regulations may be amended through the routine decision-making process of the university and appropriate notification to the university community through the Iowa State Daily.

Any organizations or members of the university community may propose amendments by providing a written proposal to the Dean of Students.

At least every five years, and sooner when the Dean of Students determines it is necessary, a committee shall be established by the Senior Vice President for Student Affairs to review the current Student Disciplinary Regulations and recommend any amendments to the university community. Amendments to the university Student Disciplinary Regulations will not be effective until approved by the President and published in the Iowa State Daily.

This amendment procedure shall not be construed to supersede the Board of Regents policy that places authority in the President to declare a state of emergency and sanction any person who is found to have violated a presidential order concerning a declared state of emergency.
